**HRPANO to Make Donation to the Boys & Girls Clubs of Thunder Bay:**

The Human Resources Professional Association of Northwestern Ontario (HRPANO) Golf Classic and Charity Open was held on June 14, 2006 at Centennial Golf Course. Over fifty golfers participated in this year's event. At the end of the day, the team of Jason Spencer, Darin Guzzell, David Halushak, Jeanet Pierce were victorious and have decided that Camp Quality for Northwestern Ontario will be the 2007 recipient of proceeds from next year's Golf Classic and Charity Open.

At the request of last year's winning team of Kerri Lovis, Holly Charry and Garth O'Neill, all proceeds from the annual tournament have been donated to the Boys & Girls Clubs of Thunder Bay. **On Friday November 3, 2006 at 11:45am, a cheque will be formally donated to the Boys & Girls Clubs of Thunder Bay at Lakehead University's Faculty Lounge.**

Albert Aiello, Executive Director of the Boys & Girls Clubs of Thunder Bay says that they are, *"a true non profit agency, receiving no core funding of any type from any source, and truly appreciate the contribution that will assist our agency in servicing the nearly 2,000 children and youth throughout the community who participate in our recreational, educational, nutritional, social and environmental programs. It takes a village to raise a child; we would like to welcome HRPANO to our village and thank them for helping us make a difference."*

A total of \$1,295.78 was raised through generous donations and prizes from our sponsors including: Atway Transport, Bell Canada, Belton & Grom Financial Services, CMA Ontario – Thunder Bay District, Lakehead University Alumni and Student Placement & Co-op Centre, Manpower, Thunder Bay Hydro and Trendline Consulting.
