Request for Manual Rescore of NKE Result

Requests for a manual rescore of the National Knowledge Exam (NKE) can be made to HRP. Once the completed request is received, HRP forwards the request to the Canadian Council of Human Resources Associations (CCHRA). The CCHRA usually permits requests up to a maximum of approximately eight weeks post the release of NKE results. However, specific dates will be available on the HRP website, and may be provided in your exam result letter. Once the rescore is completed, CCHRA will forward the results to HRP, who will then make the results available to our member.
