# What is Remote Proctoring

- ▶ It is a method of online exam delivery by use of a computer, a webcam and a stable internet connection to take your exam online remotely. i.e. in your home.
- ▶ The exam is monitored by a live proctor and is recorded.
- ▶ All exams will be delivered via remote proctoring or in a test centre for the remainder of 2020.

# Why Offer Remote Proctoring and a Dual Modality Delivery?

- ▶ Due to COVID-19, HRPA had to cancel the spring series of exams and this option will allow HRPA to bring back exams and offer testing for the remainder of 2020.
- ▶ Exam candidates will have a choice: write in a test centre or write a remotely proctored exam.
- ▶ This allows HRPA to still offer exams should the test centres remain closed.
- ▶ As test centres will be operating at a 50% reduction in capacity as long as social distancing measures are in place, remote proctoring will help with allowing everyone to be able to write their exam.
- ▶ If you are planning on writing an exam in 2020, our commitment is to make this possible and remote proctoring allows HRPA to move forward with this commitment.
- ▶ Created a tighter schedule to allow individuals to earn the designation in 2020 without too long of a delay.

# Examination Vendor - Prometric

- ▶ HRPA's exams are currently delivered by Prometric via computer-based testing and this partnership has been expanded to include online delivery through a secure remote proctoring system – ProProctor.
- ▶ The exam administration and remote proctoring follow industry best practices in compliance with standards defined by international accrediting bodies, such as ISO/ANSI 17024.
- ▶ Management of test centres and exam invigilation.
- ▶ Implementation and the delivery of testing accommodations.

- ▶ CHRL Employment Law Exam – November 9 – 23, 2020
- ▶ The fall 2020 was published on HRPA's website on June 1<sup>st</sup>.
- ▶ All testing windows are two weeks long, with the exception of the August administration where the testing windows are one week long.
- ▶ Tighter schedule to allow candidates to still earn the designation in 2020 and helps to lessen the impact of COVID-19 for those pursuing the designation.
- ▶ Results released in 2-3 weeks time versus the average 3-4 weeks.
